

Email – October 9, 2012

Hi everyone.

I hope you all had a turkey-tastic Thanksgiving! This weekend is our annual Apple Day fundraiser so we need both parent and youth volunteers to come out and help support the organization. Apple Day is quite simple, for those of you who are new to it. We will be having youth at selected locations around town bearing apples asking for donations from the patrons. As such we need a few volunteers to come out and supervise the youth as well as some youth to help collect donations.

Apple Day runs from 6-9pm Friday and from 8am-1pm Saturday. Generally the 'shifts' are approximately 3hours but any amount of time you can provide will be greatly appreciated.

Please let me know when you or your Cub will be available to help out and support the Scouting organization. A portion of the money raised goes directly to our home group so you really are helping your own child be able to participate in the program...please make yourself available.

Also, our Investiture ceremony will be postponed until our order for neckers comes in, so our meeting that day will be held at the church as usual.

Thank you in advance for your support.
